Early Childhood Assistant

I have been an Early Childhood Assistant at Taché Community Daycare for one and a half years. I work with all different ages of children and enjoy them all. I enjoy the variety in my day.

I have been married to the love of my life, Ken, for 32 years and we raised 3 children – two boys and a girl. We also have one grandson, with another grandchild on the way. I have had many hobbies throughout the years, but at this time I am doing aerobics, walking the dog and visiting friends when I am not at the centre.
