---

Early Childhood Educator III

I began working at Taché Community Day Care in August 2010. I began working in Room 3. I love doing activities and playing games with the children. I love getting to know the families and building the relationships I did.

In April of 2011 I was promoted to Director. I love the relationships I am building with staff, families and the community. I enjoy my job but I miss the interactions with the children and on occasion you will see me in the rooms playing with the children

I am married with two wonderful children. I have a 7 year old daughter who enjoys gymnastics and swimming. I also have a 4 year old son who enjoys bugging my daughter. We live in Ile Des Chenes.

I love to spend my free time with my family. We love to ice fish and skate and travel to hot destinations in the winter. We spend the summer at our seasonal campsite swimming and hanging out by the camp fire.
