

Merisa (PS1)

Early Childhood Assistant

My name is Merisa, commonly known as Missy.

Being from the Interlake I am a country girl and love being outside. I hope that someday I have big family with acreage. I am also French and speak it fluently.

In my spare time I do a lot of crafts such as puzzles, painting, and cross-stitch, for now. I am sure to learn something new soon.

But most importantly, I can be found with my pug Beasley. He is fawn, short, and fat. And his tongue hangs out. My whole world revolves around him, and we can often be found snuggled up on the couch or playing outside. If you ask me about him, expect pictures and for me to go on and on!
