Early Childhood Educator II

In 2010 I completed my training and officially became a Level II Early Childhood Educator. I have been working in the childcare field for 14-1/2 years and love it!!

I have attended many workshops through the years and am always looking for opportunities so I can grow and become an even better care provider for your children. I strongly believe that childcare workers play a very important role in the adults of tomorrow.

I am here to teach, comfort, and care for all of the children in my care. It is my responsibility to prepare your children for school and life. This is a job I take very seriously.

I have been happily married for 16-1/2 years and have three wonderful children. We have two dogs (Coca and Pepper) and one cat (Ty).

I like to spend my time doing Sudoku puzzles and doing things with my family. I also really enjoy curling up with a good book.
