

Shaunda

Early Childhood Assistant

Hi! My name is Shaunda. I've been working at Taché Community Day Care as an ECA since the summer of 2010. I work part-time, and you can usually find me in the infant room. I am also a full-time student at the University of Winnipeg.

Between work and school I keep myself busy but somehow still manage to find time for the other things I love which include traveling, gardening, cooking, and camping.
