

# October Preschool 1 Newsletter

## Things we have done

For September we have spent the month winding down from our summer program, as well as enjoying our last few warm days. In the last little while we have also welcomed a handful of new friends. We have also updated our locker pictures, feel free to take a moment to check them out.

## Upcoming plans

For October we are planning lots of activities centering around fall, thanksgiving, and Halloween.

## Please remember

Please remember the weather is cooling, let's ensure your child has weather appropriate clothing ex, splash pants, fall jacket, hats, sweaters, runners and or boots. If you would like to lend movies your child likes, to share and enjoy with our friends, it would be greatly appreciated

Please label your child's shoes, hats, jackets and as much as possible to avoid confusion or lost items.

Reminder, please do not send pineapple, due to an allergy.

Please and thank you 😊

Thank you from Merisa, Shaylene, & Julie
